Confirmation of work done in Saldana Oil Tank Farm

This letter is to confirm that Mandlevhe worked at Saldana Oil Tank Farm as a steel fixing company. The scope of work included fixing steel in various areas such as roofs, floors, sloping floor, tower crane bases and several miscellaneous structure. The total steel fixed is 1986 tons and the total monetary value R3 370 151.20. There is also dayworks which they did which amounts to R865,523.89, therefore the total amount of the contract is R 4 276 475.09.

Mandlevhe is a very organized, professional and hardworking company, they adhere to the safety rules, Meet the quality standards required and hectic deadlines. Because of that, they were last remaining steel fixing company out of the 10 we had to finish up the project.

Yours Faithfully
Tanani Mashaba
Quantity surveyor
